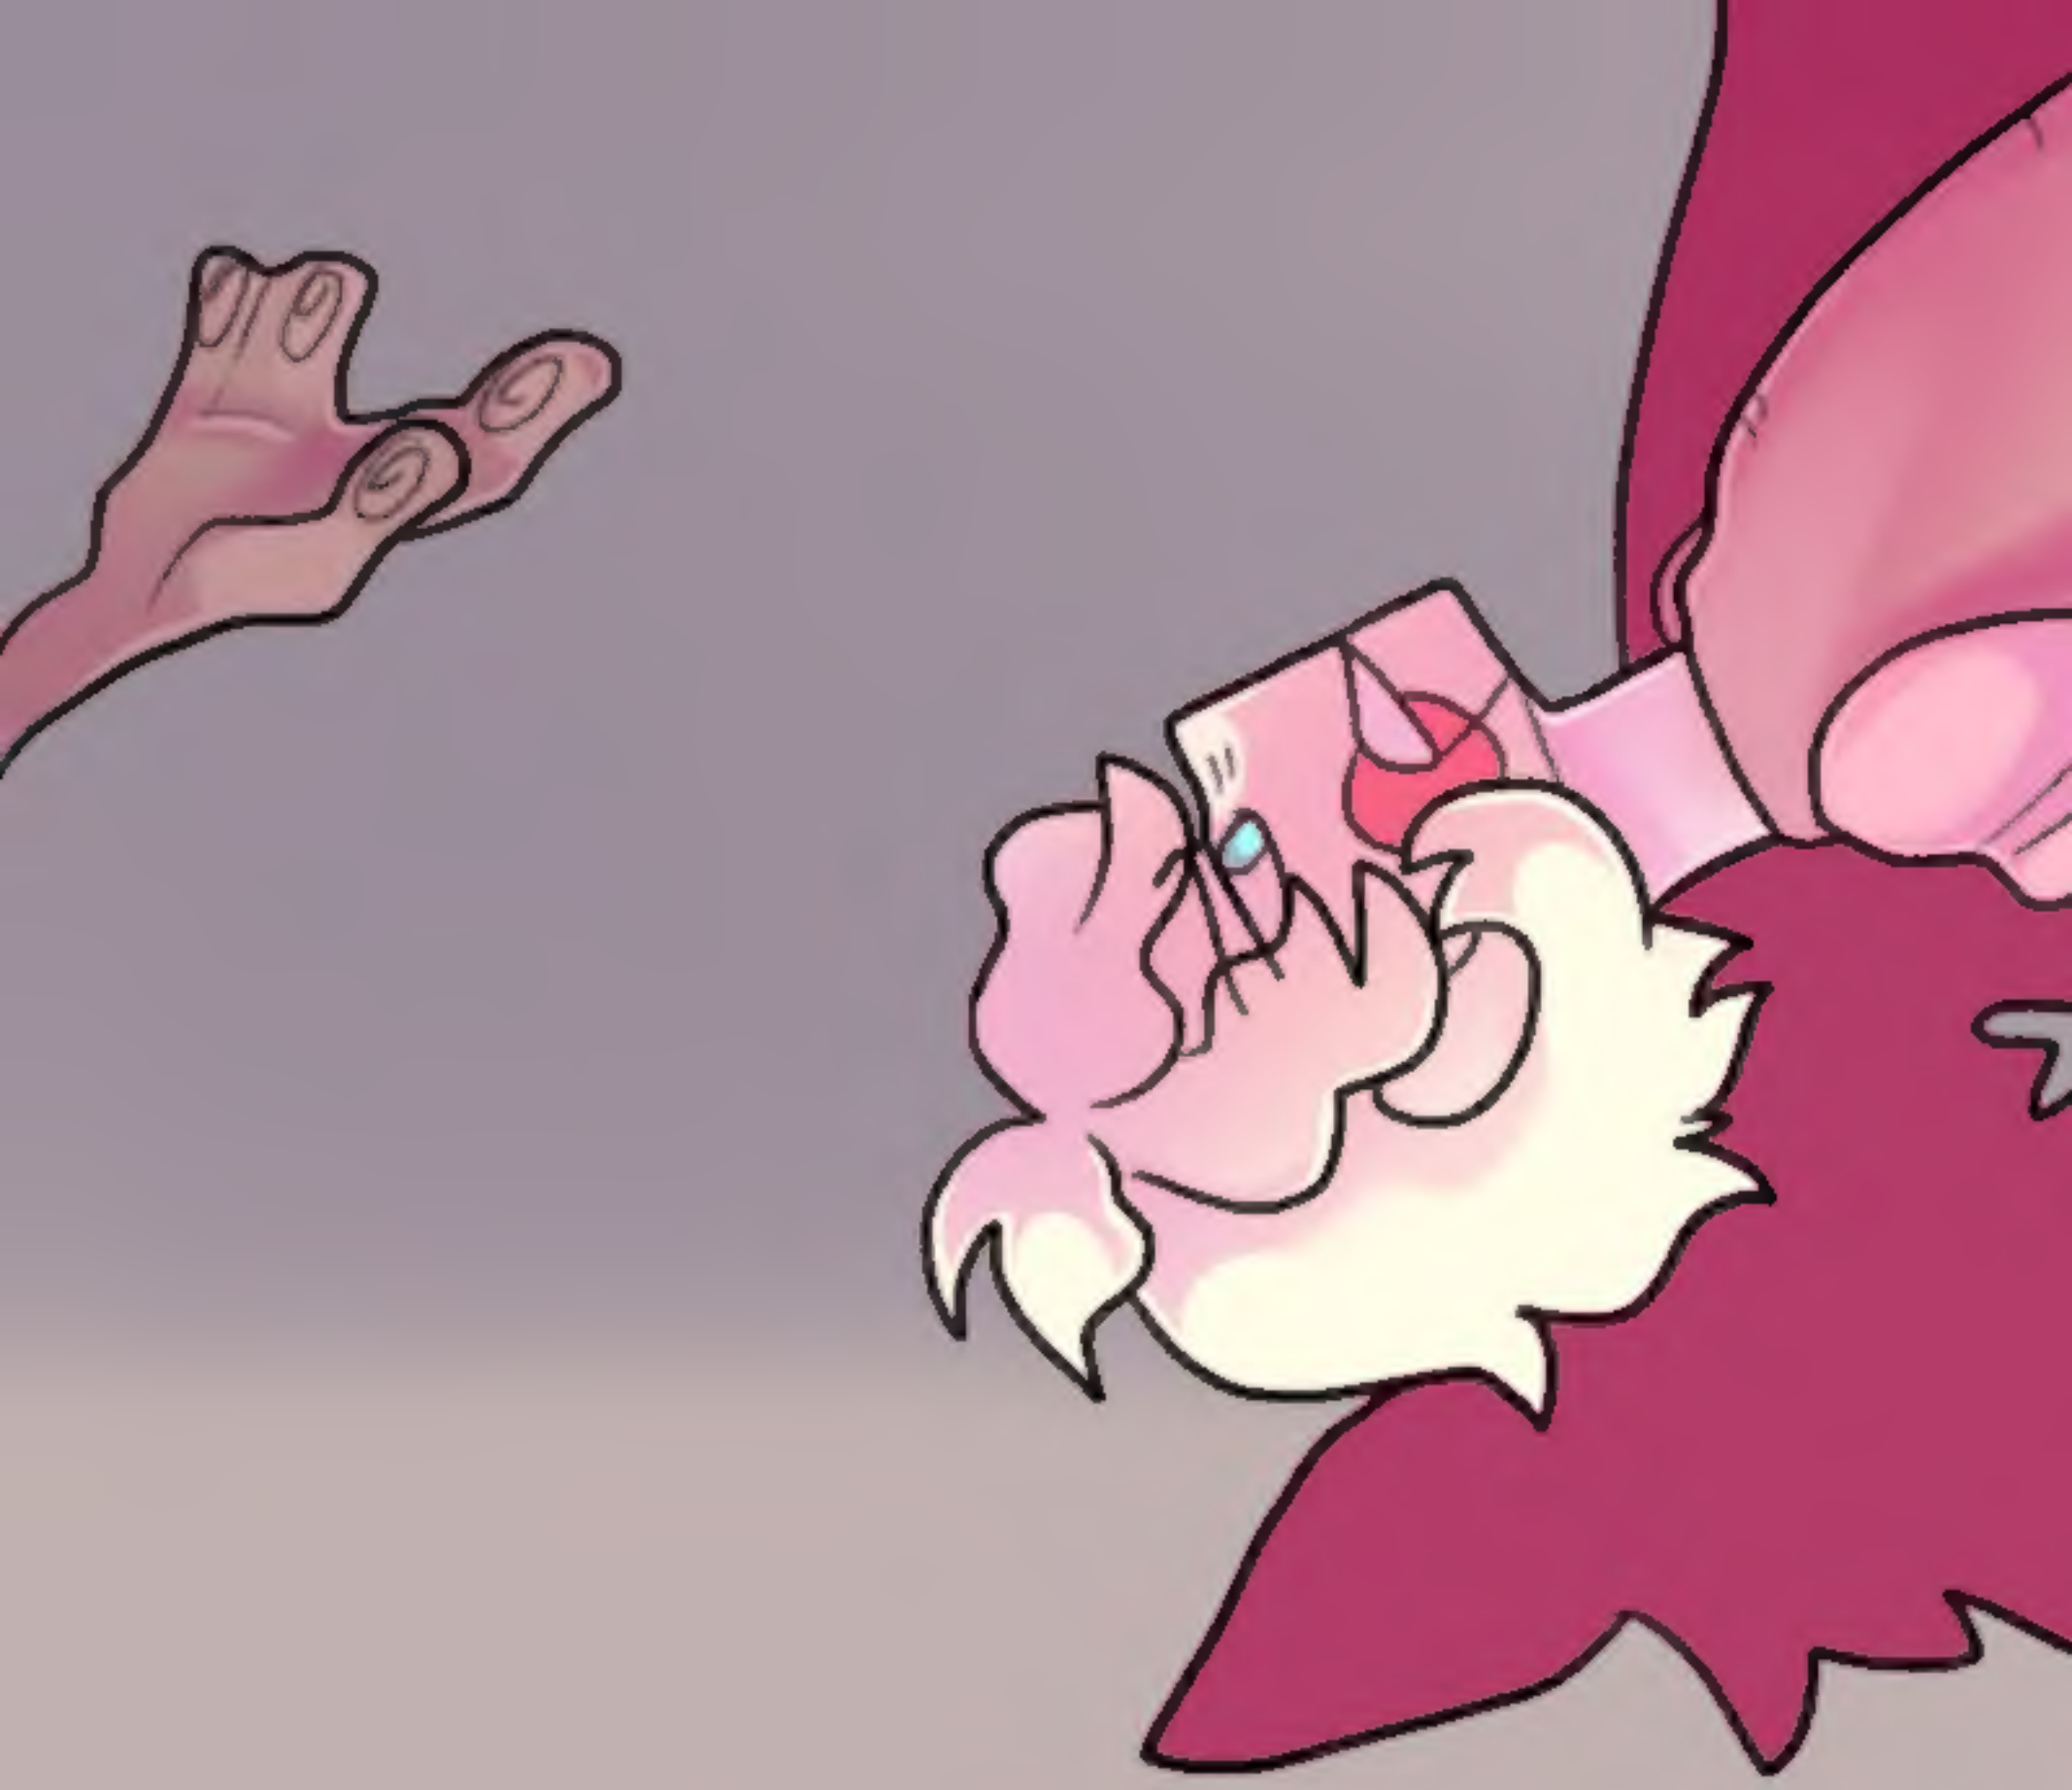
# TOYMAKER

BY ELION_TIME001



YOU HAVE 14 SECONDS LEFT TO ROLL.

GOOD LUCK.

NOW...

I SHOULD PROBABLY PUT IT BACK IN...

BUT THE GLASS IS CRACKED... OH WELL.

12

IT MOVED?

GO BERSERK?
WITHOUT A HEART?

EACH OF THEM ACTS AS A HEART OF IT'S OWN.

UNLESS YOU DRAIN MOST OF IT'S ENERGY OUT, IT CAN MOVE.

BUT IT WOULD BE A WASTE TO DO SO.

OLD FRIEND, IT'S AN ABSURD THING TO SAY, EVEN FOR YOU.

EVEN IF IT'S CALM NOW.

IT MIGHT WAKE UP WHEN ANOTHER ONE GETS CLOSE BY.

ALTHOUGH IT'S AN ULIKELY SCENARIO

HMMMM.

YOU'RE VERY TALKATIVE TODAY. DO YOU WANT SOMETHING FROM ME?

I HAVE A NEW

INVENTION, THAT I'M TESTING OUT RIGHT NOW.

I THINK YOU'LL FIND IT USEFUL.... UNLESS YOU WANT YOUR PRECIOUS COLLECTION DESTROYED.

DESTROYED? THAT'S

A BIT EXTREME, DON'T YOU THINK?

WHAT WOULD HAPPEN IF IT EVER WOKE UP?

PROBABLY....

THEY WOULD TRY TO JOIN TOGETHER ONCE AGAIN.

BONUS:

I MEAN, YOU KNOW, AS LONG AS YOU WON'T SEARCH FOR THE REST-

I WOULD NEVER

FIND ME ON:
